Dear Mr. Simkins:

The Department of Environmental Protection's (Department) Solid and Hazardous Waste Management Program is in receipt of a request for an administrative action to the Burlington County District Solid Waste Management Plan (County Plan) dated March 26, 2012. The subject request for administrative action to the County Plan proposes to allow the receipt, storage and transfer of source separated loads of asphalt shingles at the Burlington County Resource Recover Complex Class B Recycling Facility located in Florence and Mansfield Township.

This Class B Recycling Facility is currently allowed to accept trees; tree parts; brush; stumps; treated wood waste without chemical preservatives; tires; wallboard; scrap metal; and, white goods.

Pursuant to N.J.A.C. 7:26-6.11(b) 5., the modification of an existing facility to include the acceptance of additional materials constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Najwa N. Ali of my staff at (609) 984-9773 or email at najwa.ali@dep.state.nj.us.

Sincerely,
