Dear Ms. van Genderen:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Burlington County District Solid Waste Management Plan (County Plan) dated May 26, 2015. Resolution #2015-00226 amends the County Plan to include a Transfer Station/ Material Recovery Facility located on Block 14, Lot 11 in Hainesport operated by Hainesport Industrial Railroad, LLC (HIRR). This action was taken by the Burlington Board of Chosen Freeholders upon direction from the Department dated March 26, 2015.

Pursuant to N.J.A.C. 7:26-6.11(b) 14, the modification of a District Solid Waste Management Plan as identified by the Department can be approved by administrative action. Therefore, the plan inclusion of the HIRR Transfer Station/Material Recovery Facility is approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).
