Commissioner

December 15, 2023

Jerome Sheehan, Director
Burlington County Department of Solid Waste
P.O. Box 429,
Columbus, NJ 08022

Dear Mr. Sheehan:

The Department of Environmental Protection's Division of Sustainable Waste Management is in receipt of a proposed amendment to the Burlington County District Solid Waste Management Plan (County Plan) dated November 22, 2023. Administrative Amendment 23-2 to the County Plan proposes plan inclusion of the Safety-Kleen Systems, Inc. intermodal solid waste container facility, to be located at 121 and 123 Red Lion Road, Block 2202, Lots 4.05 and 4.09, in Southampton Township. The facility will accept up to 90 tons per day of solid waste types 13, 13C, 23, 27, 27A, 27I, and 72 and will operate from 7:00 a.m. to 5:00 p.m., Monday through Friday.

Pursuant to N.J.A.C. 7:26-6.11(b)11, the inclusion of a solid waste intermodal container facility can be accomplished via administrative action. Therefore, the County Plan inclusion of the Safety-Kleen Systems, Inc. intermodal solid waste container facility is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any related to this action, please contact me at (609) 940-5805 or email James Pellegrini of my staff at James.Pellegrini@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief

Bureau of Solid Waste Planning and Licensing
