Dear Ms. van Genderen:

The Department of Environmental Protection's (Department) Solid and Hazardous Waste Management Program is in receipt of a request for an administrative action to the Burlington County District Solid Waste Management Plan (County Plan) dated December 3, 2012. The subject request for administrative action to the County Plan proposes to allow the acceptance of source-separated Class B recyclables specifically, brush and tree parts at the Moorestown Class C Recycling Center located on Block 8600, Lots 9 and 13 in the Township of Moorestown.

Pursuant to N.J.A.C. 7:26-6.11(b) 5, the modification of an existing facility to include the acceptance of additional materials constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Najwa N. Ali of my staff at (609) 984-9773 or email at [najwa.ali@dep.state.nj.us](mailto:najwa.ali@dep.state.nj.us).

Sincerely,

Robert Goodwin, Supervising Environmental Specialist
