Dear Mr. Zaayenga:

On May 18, 2005 the Department of Environmental Protection's Division of Solid and Hazardous Waste received a request for an administrative action to include in the Monmouth County District Solid Waste Management Plan (County Plan) expanded operating hours for the Gold Star Recycling Class B recycling center located at Block 178, Lots 297 and 298, Amboy Road, Marlboro Township. The expanded operating hours are Monday through Friday, 9:00 a.m. until 5:00 p.m. While this administrative action does not include any increase in the permitted capacity of 200 tons per day, it would allow "weekly averaging" for this capacity, with a maximum daily peak of 300 tons per day (with weekly capacity not exceeding 1,000 tons).

Pursuant to N.J.A.C. 7:26-6.11(b) 5., on-site operational changes at an existing facility may be considered for approval through the administrative action process. Therefore, this amendment is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a Class B Recycling Center Approval to Gold Star Recycling.

If you have any questions relative to this action, please contact Najwa Ali of my staff at (609) 984-9773 or at Najwa.Ali@dep.state.nj.us.

Sincerely,

Guy Watson, Chief
Bureau of Recycling and Planning
