Tinton Falls, NJ 07753

AUG 11 2015

Dear Mr. Newman:

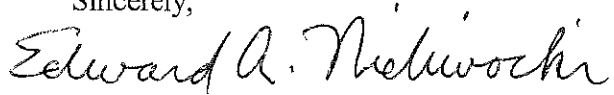

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Monmouth County Solid Waste Management Plan (County Plan) dated July 31, 2015. The administrative action request proposes to amend the County Plan by allowing Mazza & Sons, Inc. to make application for a permit modification to their Class A and Class B Materials Facility. The proposed change in permit would allow Mazza & Sons, Inc. to increase the facility tonnage of Class A materials at their Recycling Center located at 3230 Shafto Road, in the Borough of Tinton Falls, Monmouth County, Block 145, Lot 26.01, from ten (10) tons per day to one hundred and ten (110) tons per day. The request is for a 100-ton increase to be added in addition to the already approved tonnage limits as detailed in the facility's Class B and Solid Waste permits.

Pursuant to N.J.A.C. 7:26-6.11(b)5, on-site operational changes at an existing facility, including Class A tonnage increase and on-site traffic plans may be considered for approval through administrative action process. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Joanne McClendon of my staff at (609) 292-2125 or email at Joanne.mcclendon@dep.nj.gov.

Sincerely,

A handwritten signature in black ink that reads "Edward A. Neliwocki". The signature is written in a cursive, flowing style.
