Dear Mr. Johnson:

On November 29, 2023, the New Jersey Department of Environmental Protection's Division of Sustainable Waste Management received a proposed amendment to the Monmouth County District Solid Waste Management Plan (County Plan). This request is to amend the County Plan to allow the Lucas Brothers Inc. Class B recycling operations to increase their daily tonnage from 200 tons per day to a maximum 400 tons per day, not to exceed 1,500 tons per week. Lucas Brothers Inc. Class B recycling operations is also requesting to modify their operating hours from 8:30am – 4:30pm to 7:00am – 3:30pm Monday through Friday. There is no processing during the weekends. Their facility is located at 80 Amboy Road, Block 172, Lot 40.11 in Marlboro Township.

Pursuant to N.J.A.C. 7:26-6.11(b)14, amending the County Plan to include the Lucas Brothers Inc. Class B recycling facility's increase in daily tonnage and the modification to the facility's operation hours can be accomplished via administrative action. Therefore, this County Plan inclusion for Lucas Brothers Inc. Class B recycling operations is hereby approved as an administrative action.

If you have any questions related to this action, please contact me at (609) 940-5805 or email James Pellegrini of my staff at [James.Pellegrini@dep.nj.gov](mailto:James.Pellegrini@dep.nj.gov).

Sincerely,

Jill Aspinwall, Section Chief
