P.O. Box 2191
Toms River, NJ 08754-2191

Dear Mr. Kuhlwein:

On February 3, 2006 the Department of Environmental Protection's Solid and Hazardous Waste Management received a request for an administrative action to modify recycling requirements of the Ocean County District Solid Waste Management Plan (County Plan). According to the provisions of the administrative action, recycling containers for bottles and cans shall be required at all public and private beaches wherever a trash container is provided for beach users, either on the beach or for beach users leaving all ocean, bay and lake beach areas. This requirement shall be implemented for all guarded beaches by Memorial Day of 2006. Unguarded beaches shall comply by Memorial Day of 2007.

Pursuant to N.J.A.C. 7:26-6.11(b) 6., modification of a recycling program may be considered for approval through the administrative action process. Therefore, this amendment is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this action, please contact Najwa N. Ali at (609) 984-9773 or email at Najwa.Ali@dep.state.nj.us.

Sincerely,

Guy Watson, Chief
Bureau of Recycling and Planning
