

Annual Report and Certification Instructions Public Complex Municipal Stormwater General Permit (NJ0141879)

To simplify completing and submitting the **2008 Annual Report** the Department has developed a new form that you can complete and save using **Adobe Acrobat 9.1 Reader**. If you do not have Adobe Acrobat Reader 9.1 it can be downloaded for free from the Internet or the Department's web site.

The Department will only accept the new electronic Annual Report form and will not accept any older electronic or paper forms. In addition, all Annual Reports must be submitted to the Department as an email attachment to DWQ-BNPCPublicComplex@dep.state.nj.us.

Filling Out the Form

- Please complete the Adobe Form in Adobe Reader 9.1.
- Report on what your municipality completed during the **2008 calendar year** (1/1/08-12/31/08).
- There are mandatory fields that must be completed in order to submit the form.
- Dates must be in the following format (MM/DD/YYYY).

Signing the Form (creating a digital signature)

- At the end of the Annual Report Form "click:" the space to enter a **digital signature**.
- Select the radio button "**New digital ID I want to Create Now**" and next
- Select the radio button "**new PKCS#12 Digital ID file**" and next
- Complete identity information and select next
- Enter and confirm a password and select finish
- Enter the password you just created and select sign
- It will then prompt you to save your pdf Form. **Please save the pdf Form using your municipality's ComCode, an underscore, and the year in which you are submitting the report.**
For example, for Richard Stockton College of NJ, you will save the document as "**222297_2008.pdf**".

Saving the Form

- You may save the form at any time by going to "**File**" and selecting "**save as**" even if you have not completed the form.

Submitting the Form

- To **SUBMIT** the form to the Department click the **SUBMIT** button. Adobe Acrobat will ask you to **SELECT EMAIL CLIENT**. Select **Desktop Email Application** to submit the pdf Form using your default email application such as Microsoft Outlook or Novell Groupwise. If you would like to submit the form using an internet email application such as Yahoo mail or Hotmail, select **Internet Email**.
This will open up a window requiring you to save the pdf Form to any location on your hard drive or server. Please save the data using your municipality's ComCode, an underscore, and the year in which you are submitting the report.
- If you receive an error message when attempting to submit the Annual Report using the **Desktop Email Application** option, please use the **Internet Email** option.
- **The pdf Form must be sent to the following email address:** DWQ-BNPCPublicComplex@dep.state.nj.us
- If you have question or problems completing or submitting the Annual Report please contact your Case Manager at (609) 633-7021

Matthew Klewin – Matt.Klewin@dep.state.nj.us

Annual Report and Certification Public Complex Municipal Stormwater General Permit

Public Complex
Information

Public Complex - NJPDES Number - PI ID Number - EDPA

Team member responsible for completing report:

Date report completed (MM/DD/YYYY):

The Annual Report reporting period is January 1, 2008 through December 31, 2008.

Population Information

Report the population at the Public Complex usually present at least six (6) hours per day.

If the Public Complex is a military base, hospital, prison, or general administration facility include all employees, military personnel, and residents (including patients or prisoners). If the Public Complex is a college or university campus, include all faculty, employees, and full-time students.

Notes:

1. "Employees" includes individuals who work at the Public Complex regardless of whether they are paid by the Public Complex, or by another governmental, private, or nonprofit entity.
2. You do not have to count any individual more than once. For example, a full-time university student who is also a university employee may be counted as one individual.

Stormwater Pollution Prevention Plan

Have you prepared a Stormwater Pollution Prevention Plan?
Date SPPP was signed:

Public Notice

Are you complying with applicable State and local public notice requirements when providing for public participation in the development and implementation of your stormwater program?

Post-Construction Stormwater Management in New Development and Redevelopment

For major development on property that you own or operate, are you ensuring compliance with the applicable design and performance standards established under N.J.A.C. 7:8?

Are you ensuring adequate long-term operation and maintenance of stormwater BMPc on property that you own or operate?

For storm drain inlets that you install, are you complying with the standard set forth in Attachment C of the permit to control passage of solid and floatable materials?

Between January 1, 2008 and December 31, 2008 has your Public Complex begun construction for any new development and/or redevelopment project that meets the definition of major development?

If yes, please attach a New Development Project Summary sheet to this Annual Report and Certification.

Local Public Education

Storm Drain Inlet Labeling (All Public Complexes)

Have you established a storm drain inlet labeling program?

Indicate the percentage or number of sectors labeled to date: _____ Other amount: _____ %

Is your Public Complex maintaining the labels (i.e. replacing and/ or repainting)?

Local Public Education Program

Have you developed a Local Public Education Program?

Date (between January 1, 2008 – December 31, 2008) that your Public Complex distributed an Educational Brochure:

Method of Distribution:

Date (between January 1, 2008 – December 31, 2008) that your Public Complex conducted an Annual Education Event:

Description of the Event:

Improper Disposal of Waste

Have you adopted and are you enforcing a regulatory mechanism for:

Pet Waste Control: _____ Date adopted: _____

Litter Control: _____ Date adopted: _____

Improper Disposal of Waste Control: _____ Date adopted: _____

Wildlife Feeding Control: _____ Date adopted: _____

Illicit Connection Control: _____ Date adopted: _____

Status of these regulatory mechanisms (if not adopted):

Method(s) of enforcement (e.g., fines; warnings; employee, student, or military disciplinary actions; ejection from the Public Complex; additional signs; etc.):

Vegetative Waste/Collection Program:

Have you developed a vegetative waste collection program?

Does the Public Complex perform yard waste pickups?

Illicit Connection Elimination and MS4 Outfall Pipe Mapping

Outfall Pipe Mapping

Number of sectors with MS4 outfall pipes mapped to date:

Date first sector completed: _____ Date second sector completed: _____

Number of outfalls mapped to date:

Illicit Connection Elimination Program

Have you developed an Illicit Connection Elimination program?

Number of outfalls physically inspected between January 1, 2008 – December 31, 2008?

Number of outfalls found to have a dry weather flow during that period:

(For any outfalls found to have dry weather flows, a copy of the inspection report shall be submitted with this Annual Report and Certification.)

Number of Public Complex's own illicit connection during that period:

Number of such illicit connections eliminated during that period:

Number of illicit connections found during that period to emanate from another entity:

Street Sweeping Program

Have you developed a Street Sweeping Program?

Were all required streets/parking lots swept?

What was the total number of miles swept? miles

If street/parking lot sweeping was not completed for any of these following months, please explain:

Please list the total amount of materials collected for each month since January 1, 2008:

Month	Amount (tons/cubic yards)	Month	Amount (tons/cubic yards)	Month	Amount (tons/cubic yards)
January		May		September	
February		June		October	
March		July		November	
April		August		December	

Units:

Total:

Storm Drain Inlet Retrofitting

Were all storm drain inlets in direct contact with repaving, repairing, reconstruction or alterations retrofitted or replaced to meet the standard?

How many storm drain inlets were retrofitted?

Stormwater Facility Maintenance

(Stormwater facilities include, but are not limited to, catch basin, detention basins, filter strips, riparian buffers, infiltration trenches, sand filters, constructed wetlands, wet basins, bioretention systems, low flow bypasses and stormwater conveyances.)

Have you developed a Stormwater Facility Maintenance Program?

Catch Basins:

Total number of catch basins that you operate:

Total number of catch basins inspected: Total number of catch basins cleaned:

Amount of materials removed from catch basins:

Other Stormwater Facilities:

Were all stormwater facilities that you operate inspected?

Were any found to be in need of cleaning or repair in order to function properly?

Was the cleaning performed? "*****" Were repairs made?

Describe repair(s) or schedule for repair(s).

Road Erosion Control Maintenance

Have you developed a Roadside Erosion Control Program?

Were any areas of road erosion identified?

Attach additional page(s) as necessary identifying the locations of road erosion and whether repairs have been made.

Outfall Pipe Stream Scouring Remediation

Have you developed an Outfall Pipe Stream Scouring Remediation Program?

For all outfall pipes undergoing remediation through this program, please attach additional page(s) as necessary indicating the location of the outfall pipe (including the alphanumeric identifier), the repair start date and the repair complete date.

De-icing Material and Sand Storage

Do you have a permanent structure for de-icing material storage?

If sand is being stored outside, is it set back 50 feet from storm sewer inlets, ditches or other stormwater conveyance channels, and surface water bodies?

Fueling Operations

Are you implementing Standard Operating Procedures for vehicle fueling and receiving of bulk fuel deliveries at maintenance yard operations? Date SOP in effect:

Vehicle Maintenance

Are you implementing Standard Operating Procedures for vehicle maintenance and repair activities at maintenance yard operations? Date SOP in effect:

Good Housekeeping Practices

Are you implementing Good Housekeeping Practices for all materials or machinery listed in the Inventory Requirements for Municipal Maintenance Yard Operations (including maintenance activities and ancillary operations)? Date practices are in effect:

Equipment and Vehicle Washing

Has your Municipality implemented measures to properly handle the discharge of equipment and vehicle wash wastewater from your maintenance yard operations?

Please indicate which option you implemented to eliminate the unpermitted discharge:

Date the management measure was implemented:

If you have a separate NJPDES permit that authorizes the discharge of equipment and vehicle wash wastewater, include your permit number:

Annual Employee Training

Did you conduct an annual employee training program for appropriate employees on appropriate topics (e.g., police officers trained on ordinances)? List date(s) of employee training:

Sharing of Responsibilities

For each of the following, indicate if you are relying on another entity to satisfy all or part of any permit requirements. For those you checked "yes," please give additional information on or with the appropriate Annual Report and Certification form (attach sheet if needed).

Statewide Basic Requirement	Relying on another entity?
Public Notice	
Comply with applicable design and performance standards for major development (post-construction)	
Long term operation and maintenance of BMPs (post-construction)	
Storm drain inlet design standard (post-construction)	
Local Public Education Program (Colleges/Universities/Military Bases)	
Storm Drain Inlet Labeling Program	
Pet waste regulatory mechanism	
Litter regulatory mechanism	
Improper disposal of waste regulatory mechanism	
Wildlife feeding regulatory mechanism	
Vegetative waste collection program	
Outfall pipe mapping	
Illicit connection elimination program	
Street sweeping	
Storm drain inlet retrofitting	
Maintenance of stormwater facilities	
Outfall pipe stream scouring	
De-icing and sand storage	
Fueling operations	
Vehicle maintenance	

Good housekeeping	
Equipment and Vehicle Washing	
Employee Training SS	
Incidents of Noncompliance	
For any incidents of noncompliance, identify the steps being taken to remedy the noncompliance and to prevent such incidents from recurring.	
Annual Certification	
<p>“I certify under penalty of law that this Annual Report and Certification and all attached documents were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate this information. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering this information, the information in this Annual Report and Certification and all attached documents is, to the best of my knowledge and belief, true, accurate and complete.</p> <p>“I certify that the municipality is in compliance with its stormwater program, Stormwater Pollution Prevention Plan (SPPP) and the NJPDES Public Complex Municipal Stormwater General Permit No. NJ0141879 except for any incidents of noncompliance which are identified herein. For any incidents of noncompliance, the Annual Report identifies the steps being taken to remedy the noncompliance and to prevent such incidents from recurring.</p> <p>“I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for purposely, knowingly, recklessly, or negligently submitting false information.”</p>	
<p>Name:</p> <p>Title:</p> <p>Date:</p> <p>Confirm: Public Complex - NJPDES# - PI# - EDPA:</p>	
WHO MUST SIGN?	
<p>Either a principal executive officer or a ranking elected official; or duly authorized representative.</p> <p>A principal executive officer or ranking elected official of the Public Complex may assign his or her signatory authority for this Certification to a duly authorized representative, which is a named individual or a title of a position having overall responsibility for the operation of stormwater facilities or environmental matters, by submitting a letter to the Bureau of Permit Management stating said authority and naming the individual or position. The duly authorized representative is the Public Complex Stormwater Program Coordinator only if the Coordinator has overall responsibility for the operation of stormwater facilities or environmental matters.</p> <p>Sign:</p>
