

Upcoming FREE Air Compliance & Enforcement (ACE) Training/Outreach Seminar

Who would benefit from attending this training/outreach event?

Anyone who is interested in learning about, or who is subject to the Air Pollution regulations is encouraged to attend.

Seminar Description:

This free event will provide attendees with information on a variety of topics relating to Air Pollution regulations in New Jersey. Join us in the morning for our discussion of common issues found with on-line submittals, as well as how to submit penalty payments electronically. We will also have an update on what's new in the General Permit world, along with a presentation focused on what equipment or processes need an air permit. The morning session will conclude with a discussion on what boiler derating is and how to obtain a permit for it. In the afternoon we will be discussing the recent Air Rule Adoptions made in 2017, including the rule updates for storage tanks. The afternoon session will end with a presentation regarding common control and an opportunity for Q&A/compliance assistance. Come with specific questions that pertain to your facility's air pollution issues such as process changes, new installations, potential permit/rule violations, etc. We will have staff available to answer your specific questions and/or guide you in resolving your issue(s).

When and where will this event take place?

The Department is providing this free seminar from 8:15 a.m. to 4:00 p.m. on **Wednesday, May 9, 2018** at the:

**NEW JERSEY FORENSIC SCIENCE TECHNOLOGY CENTER
1200 Negron Drive
Hamilton, NJ**
