1. NAICS – North American Industry Classification System
2. For business activity classification, the Standard Industrial Classification (SIC) code system was in effect for report year 2005. The NAICS groupings that are listed here are based on a facility's coding as of this report date.
3. Not a RPPR-covered NAICS code. The facilities that are reported in this NAICS group were covered in 2005 but changed business activity and are now codified outside the regulated groups.
