

Directions to Reed's Beach House:

From the North:

Route 295 south or NJ Turnpike south to Route 42 south. Stay on Route 42 for only a mile or so and exit onto Route 55 south.

Proceed for about 45 minutes to 1 hour on Route 55 south which will terminate and turn into Route 47 south.

Follow Route 47 south for approximately 20 or 25 miles toward Goshen. Pass Dennis Creek Wildlife Management Area on your right. Keep an eye open for Reeds Beach Road on your right (Reeds Beach is approximately due west of Cape May Court House).

Turn right onto Reeds Beach Road, proceed until you reach the end and the road turns into a "T", go right, proceed a short distance and see a big orange house, #83C.

There is little parking. Try not to block the road. We may need to ask volunteers to park the road at the viewing platform parking lot, but check in at the house first.
