

Deer Season Permits

PERMIT INFORMATION

Regulations in **red** are new this year.

Purple text indicates an important note.

PERMIT HUNTING SEASONS play a major role in Fish and Wildlife's deer management program. The three permit seasons provide a means to control hunting pressure, and thereby the harvest, in each deer management zone to meet specific deer management objectives. With the additional harvest and recreational opportunity these seasons provide, an additional fee is charged for each permit.

Farmer deer permit information is detailed in the *Farmer Hunting Information* section beginning on page 27. Farmers purchasing non-farmer permits should also read this deer season permit section, below.

For application and purchasing procedures, see *Permits for Hunters and Trappers*, page 10.

- A permit is required to hunt during the Permit Bow, Permit Muzzleloader and Permit Shotgun deer seasons.
- The regular, zone-specific deer permit is valid **only** for hunting antlerless deer. **To take an antlered buck, hunters must purchase an Antlered Buck Permit. These Antlered Buck Permits are not zone-specific but are valid only when used in conjunction with a regular, zone-specific deer permit.**
- Hunters are still limited to purchasing one Antlered Buck Permit per permit season (i.e., one Antlered Buck Bow Permit, one Antlered Buck Shotgun Permit and one Antlered Buck Muzzleloader Permit.) **Buck permits are valid in any zone for which the hunter has a valid antlerless permit.**
- Regular antlerless deer permits are zone-specific and are valid for the duration of the specified zone's permit season, including when that season extends into the 2010 calendar year. Hunters are still limited to purchasing one zone-specific permit per season. Example: If you hunt only Zone 19, you may purchase only one muzzleloader,

one bow and one shotgun antlerless permit for Zone 19. If you hunt in more than one zone you may purchase one muzzleloader, one bow and one shotgun permit for each zone.

- Regardless of the number of regular antlerless permits in possession, **hunters are limited to taking one buck during each of the permit seasons ONLY after first purchasing a Buck Permit for that season.** (See *Deer Hunting Regulations, Licenses and Permits* for details, page 28.)
- A resident, non-resident or youth hunting license is a prerequisite to purchase a deer permit. See pages 1 and 8 for hunting license information.
- Muzzleloader season permits are not valid unless accompanied by both a valid rifle permit and a Firearm or All-around Hunting License while hunting.
- Permits are valid only for the season and zone indicated, are **non-transferable** and **non-refundable**.
- It is illegal to use a permit for a zone, season or hunter other than those named on the permit. Deer permit violations are subject to a fine of \$100-\$500 for each offense.
- The cost per permit [both the regular Antlerless (zone-specific) Deer Permit or Antlered Buck Permit] is \$28 for each adult and \$12 for each youth permit.

Important

Antlered Buck Permits may be purchased only during specific time frames. Antlered Buck Permits must be purchased before by 11:59 p.m. on the first day of each permit season as follows:

- Antlered Buck Permits for the Permit Bow Season **must be purchased by Oct. 31** at 11:59 p.m.
- Antlered Buck Permits for the Permit Muzzleloader Season **must be purchased by Nov. 30** at 11:59 p.m.
- Antlered Buck Permits for the Permit Shotgun Season **must be purchased by Dec. 16** at 11:59 p.m.
- For hunters who do not purchase a deer permit until after the season opens, an Antlered Buck Permit **may be purchased only with** the initial regular antlerless zone-specific permit. There will be no other chance to purchase an Antlered Buck Permit after your initial permit purchase for a given permit hunting season.
- There are **NO EXCEPTIONS**.

Permits Available at Participating License Agents (Non-lottery Zones)

- The following deer management zones have permit quotas that far exceed hunter demand: Zones 1-19, 21-31, 34-36, 41-43, 45-51, 55, 63, 65, 67 and 68. These permits are available without a lottery on a first come, first served basis. In the unlikely event that sales reach the permit quota for a specific zone and season combination, those permit sales will end.
- Permits sales are available at license agents listed on page 18 and on Fish and Wildlife's Internet

sales site www.WildlifeLicense.com/NJ/. See *Lottery Permit Zones*, page 16, for zones with limited permit quotas.

- Bow, muzzleloader and shotgun permits will be available for sale beginning **TUESDAY, Oct. 13, 2009** at 10 a.m. and continue until each season ends. Some seasons run through Feb. 13, 2010. See *Regulation Sets*, page 42.
- Hours of operation and types of payment accepted vary according to license agent. Be prepared.
- To purchase a permit at a license agent a hunter must present his or her valid, current year's hunting license.
- A person may purchase a permit for an absent hunter only when the following conditions are met:
 1. the absent hunter has already completed a Child Support Certification (see page 8) through the Integrated Electronic Licensing System via the Internet or at a license agent and
 2. the buyer shows the absent hunter's valid hunting license and identifying information (date of birth and Conservation ID Number or Social Security Number). License photocopies not accepted.
- The hunter is responsible to know in what zone and season he or she wants to hunt.
- Hunters are urged to review their permit before leaving the license agent.
- **Once a permit fee is paid and the buyer leaves the store, there will be no returns, exchanges or refunds. No exceptions.**
- Permits purchased online via the Internet will take 7-10 days for delivery. Hunters have the option to pay extra for express delivery.

Special Area Deer Management Zones

- Special Areas include federal military installations, certain state and county parks and national wildlife refuges.
- Select zones have specific qualifying criteria which hunters must meet before obtaining a permit. Certain zones are not open to the public. It is the hunters' responsibility to arrange for property access prior to applying for or purchasing a permit.
- Refer to *Special Areas Hunting Seasons* on page 46 for details.

Military Zones

Military base deer management zones include the following: Picatinny Arsenal (Zone 54), Earle NWS (zones 39 and 40), Lakehurst NAES (Zone 53), FAA Tech Center (Zone 66) and Fort Dix (Zone 37). All have lower quotas with a limited number of available permits. Due to heightened security, hunters must be sure to have proper security clearance and access prior to applying for or purchasing permits for military base zones.

Hunters interested in a Fort Dix, Zone 37 permit must apply in the lottery.

Deer Season Permits

PERMIT INFORMATION

(continued from page 14)

Lottery Permit Zones

Permits will be available by lottery for the following zones: 37, 38, 56, 57, 58, 61, 64 and 70.

Zones which have a limited deer permit quota require a lottery. Hunters may apply for a total of four deer permits (two bow, two firearm) through the lottery. Lottery applications may be submitted at license agents and on Fish and Wildlife's Internet sales site, WildlifeLicense.com/NJ/. Two random lotteries will be conducted; afterwards, remaining permits may be available for purchase over-the-counter. See *Special Areas*, page 46 for details.

It is the applicant's choice for which firearm season to apply as the first, then second, lottery for firearm deer permits. Applicants cannot submit a first lottery muzzleloader application AND a first lottery shotgun application. The hunter must choose which firearm season is preferred for the first lottery. Applicants may apply for a specific firearm season for both a first AND a second lottery, but cannot win two permits for the same zone and season.

- For complete instructions on the lottery permit application, drawing and purchase processes, see *Permits for Hunters and Trappers* in the *Licenses, Permits and Stamps* section, page 10.
- Submit only one lottery permit application per hunter.

Lottery—Important Dates

- **Deadline:** Applications must be submitted before 11:59 p.m. on Sept. 6, 2009. The application period opens Aug. 1.
- **Permit award notification and permit pickup begins the week of Sept. 21.** Permits awarded in the lottery must be claimed before 11:59 p.m. on Sunday, Oct. 11. Depending upon the zone, all unclaimed permits are either forfeited or returned to become available for over-the-counter permit sales. Hunters awarded permits in the lottery may claim them at a license agent or via the Internet.

Regulations in red are new this year.

Purple text indicates an important note.

- Hunters awarded permits in the lottery may also purchase an Antlered Buck Permit while claiming your awarded lottery permit(s) beginning Sept. 21.

Over-the-Counter Sale of Leftover Lottery Permits

- Beginning at 10 a.m. on TUESDAY, Oct. 13, 2009, permits which remain unclaimed will be sold over-the-counter at license agents and at Fish and Wildlife's Internet sales site, WildlifeLicense.com/NJ/.
- Leftover permits will be sold on a first-come, first-served basis.
- A list of available unclaimed permits will be posted on Fish and Wildlife's Web site.

Note: Not all Special Areas permits will be sold over-the-counter. Qualifying hunters should apply for a permit in the lottery instead of waiting for possible leftover permits. See the *Special Areas* information beginning on page 46.

For questions concerning the permit process, call the 24-hour automated Permit Hotline: (609) 292-9192.
