

# Deer Season Permits

## PERMIT INFORMATION

Regulations in **red** are new this year.

Purple text indicates an important note.

**PERMIT HUNTING SEASONS** play a major role in Fish and Wildlife's deer management program. The three permit seasons provide a means to control hunting pressure, and thereby the harvest, in each deer management zone to meet specific deer management objectives. With the additional harvest and recreational opportunity these seasons provide, an additional fee is charged for each permit.

Farmer deer permit information is detailed in the *Farmer Hunting Information* section beginning on page 28. Farmers purchasing non-farmer permits should also read this deer season permit section, below.

For application and purchasing procedures, see *Permits for Hunters and Trappers*, page 10.

- A permit is required to hunt during the Permit Bow, Permit Muzzleloader and Permit Shotgun deer seasons.
- The zone-specific deer permit is valid **only** for hunting antlerless deer. **To take an antlered buck during any permit season, hunters must purchase one Antlered Buck Permit. An Antlered Buck Permit is not zone-specific but is valid only when used in conjunction with a zone-specific deer permit.**

- Hunters are still limited to purchasing one Antlered Buck Permit *per permit season* (i.e., one Antlered Buck Bow Permit, one Antlered Buck Shotgun Permit and one Antlered Buck Muzzleloader Permit). **Buck permits are valid in any zone for which the hunter has a valid antlerless zone-specific permit.**
- **Note:** Only one deer at a time may be taken during any permit season even if you possess both an antlered and antlerless permit, except in those zones in Regulation Sets 6 and 8 where two deer at a time may be harvested during the Permit Shotgun and Permit Muzzleloader seasons.
- Antlerless deer permits are zone-specific and are valid for the duration of the specified zone's permit season, including when that season extends into the 2013 calendar year. Hunters are still limited to purchasing one zone-specific permit per zone per permit season. Example: If you hunt only Zone 19, you may purchase only one muzzleloader, one bow and one shotgun antlerless permit for Zone 19. If you hunt in more than one zone you may purchase one muzzleloader, one bow and one shotgun permit for each zone.

- Regardless of the number of zone-specific antlerless permits in possession, **hunters are limited to taking one buck during each of the permit seasons ONLY after first purchasing a Buck Permit for that season.** (See *Deer Hunting Regulations, Licenses and Permits* for details, page 30.)
- A resident, non-resident or youth hunting license is a prerequisite to purchase a deer permit. See pages 1 and 10 for hunting license information.
- Muzzleloader season permits are not valid unless accompanied by both a valid rifle permit and a Firearm or All-around Sportsman License while hunting.
- Permits are valid only for the season and zone indicated, are **non-transferable** and **non-refundable**.
- It is illegal to use a permit for a zone, season or hunter other than those named on the permit. Deer permit violations are subject to a fine of \$100-\$500 for each offense.
- The cost per permit [both the Antlerless (zone-specific) Deer Permit or Antlered Buck Permit] is \$28 for each adult and \$12 for each youth permit. ➤

Hunt Elk, Buffalo, Deer (Fallow/Red/Whitetail)...in PA!

Hunt our private herd September through April in the beautiful, rugged Allegheny Mountains. Visit us before you book a hunt and see for yourself!

There has never been a better time to go hunting  
at MAJESTIC WORLD LODGE!

- Scoring Sizes available include Non-Typical & 400+ Elk Bulls.
- Largest Bull Selection on East Coast.
- Hunting with Weapons of Choice.
- High Success Rate!

Save hassles & costs of long-distance trips.  
No drawing or license fee.

Call us at  
814-693-0189 or 877-365-6972

Visit [www.MajesticWorldLodge.com](http://www.MajesticWorldLodge.com) for more details!

A Western World...In The Penna Allegheny Mountains!

### Important

Antlered Buck Permits may be purchased only during specific time frames. Antlered Buck Permits go on sale with all deer permits beginning Monday, Sept. 10, 2012 at 10:00 a.m. and must be purchased by 11:59 p.m. on the first day of each permit season as follows:

- Antlered Buck Permits for the Permit Bow Season **must be purchased by Oct. 27** at 11:59 p.m.
- Antlered Buck Permits for the Permit Muzzleloader Season **must be purchased by Nov. 26** at 11:59 p.m.
- Antlered Buck Permits for the Permit Shotgun Season **must be purchased by Dec. 12** at 11:59 p.m.
- For hunters who do not purchase a deer permit until after the season opens, an Antlered Buck Permit **may be purchased only with** the initial antlerless zone-specific permit. There will be no other chance to purchase an Antlered Buck Permit after your initial permit purchase for a given permit hunting season.
- There are **NO EXCEPTIONS**.

### Permits Available at Participating License Agents (Except Special Areas Zones)

- The following deer management zones have permit quotas that far exceed hunter demand: Zones 1-19, 21-31, 34-36, 41-43, 45-51, 55, 63, 65, 67 and 68. These permits are available on a first come, first served basis. In the unlikely event that sales reach the permit quota for a specific zone and season combination, those permit sales will end.
- Permits sales are available at license agents listed on page 20 and on Fish and Wildlife's Internet sales site [www.NJ.WildlifeLicense.com](http://www.NJ.WildlifeLicense.com).
- Bow, muzzleloader, shotgun and antlered buck permits will be available for sale beginning at 10:00 am on Monday, September 10, 2012 and continue until each season ends. Some seasons run through Feb. 9, 2013. See *Regulation Sets*, page 44.
- Hours of operation and types of payment accepted vary according to license agent. Be prepared.
- To purchase a permit at a license agent a hunter must present his or her valid, current year's hunting license.
- A person may purchase a permit for an absent hunter only when the following conditions are met:

# Deer Season Permits

## PERMIT INFORMATION

(continued from page 17)

1. The absent hunter has already completed a Child Support Certification (see page 8) through the Integrated Electronic Licensing System via the Internet or at a license agent and
  2. The buyer shows the absent hunter's valid hunting license and identifying information (date of birth and Conservation ID Number or Social Security Number). License photocopies not accepted.
- The hunter is responsible to know in what zone and season he or she wants to hunt.
  - Hunters are urged to review their permit before leaving the license agent.
  - **Once a permit fee is paid and the buyer leaves the store, there will be no returns, exchanges or refunds. No exceptions.**
  - Permits purchased online via the Internet will take 7-10 days for delivery. Hunters have the option to pay extra for express delivery.

### Special Area Deer Management Zones

- Special Areas include federal military installations, certain state and county parks and national wildlife refuges. Special Area zones include: 37, 38, 39, 40, 53, 54, 56, 57, 58, 61, 64, 68 and 70. Some of these zones have specific qualifying criteria which

hunters must meet before obtaining a permit. Certain zones are not open to the public. It is the hunters' responsibility to arrange for property access prior to purchasing a permit.

- **There will be no lottery for Special Area Permits this year.** This is in response to a decrease in the demand for these permits and an increase in the number of complaints from prospective hunters who participate in these hunts. Permits will be available for a limited time on a first-come, first-served basis. Removing the lottery will streamline the process, making it more convenient for all hunters. Hunters will know immediately whether or not they will receive a permit. **Note: Most of these Special Areas permits will be available for sale only for a limited time. It is the hunters responsibility to pay attention to all deadlines. Exceptions cannot be made.**
- Refer to a specific Special Area (see *Special Areas Hunting Seasons*, page 50) for complete details including when each permit sale will occur.

### Military Zones

Military base deer management zones include the following: Picatinny Arsenal (Zone 54), Earle NWS (zones 39 and 40), Lakehurst Section of Joint Base

McGuire-Dix-Lakehurst, U.S. Air Force, (Formerly Lakehurst NAES (Zone 53), FAA Tech Center (Zone 66) and Dix-McGuire section of Joint Base McGuire-Dix-Lakehurst, U.S. Air Force, (Formerly Fort Dix) (Zone 37). All have lower quotas with a limited number of available permits. Due to heightened security, hunters must be sure to have proper security clearance and access prior to applying for or purchasing permits for military base zones.

Refer to a specific Special Area (see *Special Areas Hunting Seasons*, page 50) for complete details including when each permit sale will occur. ♫

**Create Your Own WMA Map**

New Jersey Department of Environmental Protection (DEP) has a Web-based tool called NJ-GeoWeb. Those with Internet access can create maps for any Wildlife Management Area. NJ-GeoWeb provides a wealth of other environmental information, too!

This interactive program is updated on a regular basis so most of the latest information is available.

To access NJ-GeoWeb, go to the DEP's website at [www.state.nj.us/dep/gis/geoweb/splash.htm](http://www.state.nj.us/dep/gis/geoweb/splash.htm). Click on "Launch NJ - GeoWeb," then "GeoWeb Profile."

Those without Internet access can request a specific wildlife management area map by calling (609) 984-0547.
