Dear New Jersey Summer Flounder Permit Holder:
New Jersey Summer Flounder Dealer:

As determined by New Jersey's commercial summer flounder landing records, the New Jersey Division of Fish and Wildlife anticipates the Season 1, January-February directed quota of 535,735 pounds of summer flounder will be landed by Saturday, February 9, 2013. Based upon this information and pursuant to N.J.A.C. 7:25-18.12(i), the New Jersey Season 1 directed summer flounder fishery will be closed as of 6:00 PM (Saturday), February 9, 2013.

Effective 6:01 PM, February 9, 2013 no vessel shall land or possess nor shall any dealer accept any summer flounder in excess of the by-catch trip limit of 200 pounds through March 2, 2013 or until such time as the Season 1 by-catch is projected to be taken. By-catch landings may not exceed ten percent, by weight, of all species landed and sold.

The Season 2 directed summer flounder fishery will open on March 3, 2013 with a **2,000** pound trip limit with a maximum of **two** landings per week. If you have any questions, please contact the Bureau of Marine Fisheries at 609-748-2020.

Sincerely,

David Chanda
Director
