

2014 GREEN EGGS & SAND Workshops

Looking to infuse a globally-significant ecological phenomenon and current real-world resource management controversy into your classroom?

Interested in learning firsthand from a select and diverse group of experts and stakeholders offering a wealth of knowledge and experience with the issues?

The Green Eggs & Sand team is offering three full weekend workshops along the Atlantic coast for spring of 2014

Participants take home the award-winning, middle/high school-targeted, video and hands-on-activity-rich, GE&S curriculum package
