

HUNTERS HELPING THE HUNGRY

HHH — Hunters Helping the Hungry, Inc.

Great News!

December 2015

Through December 1st, 2015 HHH has helped deliver over 8,115 pounds of venison equating to 32,460 meals to the NJ food bank system.

But we can do better! Due to the generosity of our volunteers, sponsors, hunters and contributors, we are waiving the requested processing fee for the hunters in January and February, 2016. Normally our hunters contribute \$10 to \$25 per deer.

HHH is a 501-C3 not for profit organization. There is currently no state or federal funds for the program. The entire program is run directly from your donations. Over 1,500,000 meals have been distributed since the beginning in 1997. At a cost of roughly \$1 per pound!

Earlier this year we had several events/fund raisers: Lehigh Valley Sporting Clays event, Black Knights 3D bow shoot, John McMahon Family night, Striper Fishing trip and the Pequest Open House. All events were very successful. Thank you to all who came out and supported us.

Over Thanksgiving we were on Fox Network Chasing News; **Here's the link: <http://www.my9nj.com/chasing-news/54866525-story>**

We had a lot of fun with Diana Blass the reporter from Fox News and thank her for the great story.

For 2016: Clay Shoot is May 8th. Fishing Trip again in the May time frame, among our many other events large and small.

As usual check out our (NEW) website for more info. WWW.HuntersHelpingtheHungry.org

Our goal is to have an approved butcher in every county in our great state. We need your help with this. If you know of a butcher in your county (specifically Mercer, Warren and Sussex Counties), please spread the HHH word to them. We will work directly with them to get them set up as an official HHH butcher.

We did add another butcher in Camden County; [Bringhurst Fine Meats/Catering](#), 38 W. Taunton Road, Berlin, NJ 08009 (856) 767-0110
