UPDATES (old business)

SWAP revision

Update on the **oyster aquaculture/red knot adaptive management** strategy including report from ENSAC representatives on the Stakeholder Committee

Annual report on **Red Knot** monitoring, including update on recovery metrics from 2016 season and overview of 2017 planned monitoring.

*The Chairperson will provide opportunity for interested members of the public to provide input to discussions on all agenda items when appropriate as discussions proceed. This specific Public Comment agenda item is meant to provide an opportunity for the public to speak to concerns regarding endangered and nongame wildlife conservation that may not be on the meeting agenda. The Chairperson may limit the length of public comment as needed to allow for completion of the rest of the meeting agenda.
