

## NJ NASP STATE TOURNAMENT 2015 RESULTS

We are pleased to announce the results of the 2015 NJ NASP State Tournament! Thanks to the archers, coaches, and friends and family that came out to support everyone! We had 170 archers from 9 schools compete in this year's virtual state tournament.

The teams and individual archers listed below in red qualify to attend the national NASP tournament in Kentucky on May 7-9, 2015. The 1<sup>st</sup> place team in each division (elementary, middle, high school) qualifies for nationals, as well as those teams with qualifying team scores. In addition, the top ten male and top ten female archers in each division qualify for nationals as individuals *if their school team did not qualify or does not attend the national competition.*

Rules and registration information for the national tournament is attached. Early registration is recommended.

Congratulations to all who participated!
