Contact That Fish Place at www.ThatFishPlace.com for equipment. This company is located in Eastern PA and ships UPS Ground, which is next day for most NJ schools. If you call to place your order, please ask for Stephanie Welsh at 717-299-5691 x 1288 and tell her you are purchasing TIC Kit #1 for NJ. Their "Kit 1" includes all necessary start up equipment, except the 55 gallon tank, tank stand and hood with lights which must be purchased at a local pet store. Tank stands should be metal to prevent condensation from warping the stand.			
Optional Equipment...			
•	Eye Dropper or Turkey Baster (or more for multiple students) for daily removal of eggs		
•	Sheets of Styrofoam to cover tank on all sides, except the front of the tank		
•	Two five gallon plastic buckets (not metal) to age water before putting it in the tank.		
•	Battery-operated aerator, to give trout oxygen during transport (available at sporting good stores)		
•	Long-handled scrub brush to loosen grime and growth in the tank		
•	Clean ice packs, for use in transportation and/or chiller emergencies		
Equipment Replaced Yearly...			
•	Filter Pads and Charcoal		
•	Biozyme		
•	Airstone – these can degrade or build up with waste.		
•	Water Quality Test Kit
