

MAINLAND COASTAL CENTER BOUNDARIES EXTENDED UNDER THE PERMIT EXTENSION ACT OF 2008

For purposes of N.J.A.C. 7:7E-5 and 5B, this document contains the boundary descriptions of the mainland coastal centers whose March 15, 2007 expiration has been extended until July 1, 2010 under the Permit Extension Act of 2008. The areas listed at N.J.A.C. 7:7E-5B.6(e) shall not be considered part of a mainland coastal center, except for the purposes of N.J.A.C. 7:7E-5B.6(f). In addition, the areas that are within the Environmentally Sensitive Area defined by the Permit Extension Act were not extended by the Act and therefore are not part of the mainland coastal center. The Environmentally Sensitive Area is described on the Department's webpage:

“Determining if Activity is in an Environmentally Sensitive Area” at http://www.state.nj.us/dep/opppc/pea_esa.htm

Maps of the mainland coastal centers, for illustration only, may be reviewed at the Department, 401 East State Street, Trenton, New Jersey, (609) 292-1143. In case of any discrepancy between the maps and this text, this text shall govern. Note: When a point is described as being a certain distance from a particular street or railroad right-of-way, that distance is measured from the centerline of the right-of-way of such street or railroad.
