(collectively, "Defendants/Third-Party Plaintiffs"), hereby responds as follows:

GENERALLY

Spectraserv, Inc. denies each and every allegation contained in Third Party Complaint "B" that is not otherwise herein addressed, including, without limitation, any allegations

DEFINITIONS

211 -236. Spectraserv, Inc. responds that no answer is required pursuant to Case Management Order V.

FACTUAL ALLEGATIONS

237 – 3445. To the extent that the allegations in Paragraphs 237 through 3445 relate to other parties, no answer is required pursuant to Case Management Order V.

The Spectraserv Site

2651. Spectraserv, Inc. admits the allegations contained in paragraph 2651 of Third-Party Complaint "B."

2652. Spectraserv, Inc. admits the allegations contained in paragraph 2652 of Third-Party Complaint "B."

2653. Spectraserv, Inc. admits the allegations contained in paragraph 2653 of Third-Party Complaint "B."

2654. In response to paragraph 2654 of Third-Party Complaint "B" Spectraserv states that Spectraserv, Inc. has owned and operated the Spectraserv Site in Kearny, New Jersey since 1969. From 1969-1982, Sepctraserv, Inc. operated a storage and transfer facility for liquid sludges. In or about 1982, Spectraserv, Inc. began to process and dewater liquid sludges. Currently, Spectraserv, Inc. is permitted by the New Jersey Department of Environmental Protection (the "NJDEP") to transport and accept municipal water and wastewater residuals, septage, food processing residuals and non-hazardous industrial residuals at the Kearny Facility. Upon receipt of these materials at the Kearny Facility, Spectraserv, Inc. processes the residuals into a dry sludge cake which is transported offsite to landfills, composting sites or beneficially reused through land application. The residual process generates a wastewater side-stream which is treated by Spectraserv, Inc. and discharged through the sewer system in accordance with its Sewer Use Permit issued by the Passaic Valley Sewerage Commissioners ("PVSC"). Since its formation in 1991, the KMUA has provided wastewater collection services for the South Kearny area. The wastewater generated by this section of Kearny is pumped to the designated Publicly Operated Treatment Works ("POTW") facility, the PVSC's treatment plant located at 600 Wilson Avenue, Newark, New Jersey.

2655. Spectraserv, Inc. admits the allegations contained in paragraph 2655 of Third-Party Complaint "B."

2656. Spectraserv, Inc. admits the allegations contained in paragraph 2656 of Third-Party Complaint "B."

2657. In response to paragraph 2657 of Third-Party Complaint "B," Spectraserv, Inc. denies that it generated or manufactured acetone, chloroform, chromic acid, ethyl ether, hexane, hydrochloric acid, mercuric sulfate, methanol, methylene chloride, nitric acid, silver sulfate, sulfuric acid and waste oils. Spectraserv admits that it handled, processed and/or blended acids and waste oils and is without knowledge or information sufficient to form a belief as to the truth of the remaining allegations contained in paragraph 2657 of Third-Party Complaint "B."

2658. In response to paragraph 2658 of Third-Party Complaint "B" contains Defendants/Third-Party Plaintiffs' conclusions of law and therefore no answer is required. To the extent that this paragraph is deemed to express facts, the allegations are denied.

2659. Spectraserv, Inc. admits the allegations contained in paragraph 2659 of Third-Party Complaint "B."

2660-2670. Spectraserv, Inc. admits that PVSC issued Notices of Violation to Spectraserv, Inc. as set forth in paragraphs 2660 – 2670 of Third-Party Complaint "B" and states that said Notices of Violation were resolved without admission of liability and without any adjudication of Spectraserv, Inc.'s culpability for the allegations contained within the Notices of Violation issued by PVSC. All remaining allegations contained in paragraphs 2660 – 2670 are denied.

2671. Spectraserv, Inc. admits that the Hudson Regional Health Commission ("HRHC") investigated odor complaints filed against Spectraserv, Inc. and states that said odor complaints are irrelevant to the claims asserted by Defendants/Third-Party Plaintiffs in Third-Party Complaint "B." Spectraserv further states that the alleged odor complaints were resolved without admission of liability and without any adjudication of Spectraserv, Inc.'s culpability for

the allegations contained within the odor complaints. All remaining allegations contained in paragraph 2671 are denied.

2672 – 2682. Spectraserv, Inc. admits that PVSC issued Notices of Violation to Spectraserv, Inc. as set forth in paragraphs 2672 – 2682 of Third-Party Complaint “B” and states that said Notices of Violation were resolved without admission of liability and without any adjudication of Spectraserv, Inc.’s culpability for the allegations contained within the Notices of Violation issued by PVSC. All remaining allegations contained in paragraphs 2672 – 2682 are denied.

2683. Paragraph 2683 of Third-Party Complaint “B” contains Defendants/Third-Party Plaintiffs’ conclusions of law and therefore no answer is required. To the extent that this paragraph is deemed to express facts, Spectraserv, Inc. admits that contaminants have been detected in the groundwater at the Spectraserv Site some, if not all, of which are believed to be from off-site sources including, but not limited to, the Syncon Resins Superfund Site and denies the remaining allegations contained in paragraph 2683 of Third-Party Complaint “B.”

2684. Spectraserv, Inc. admits that groundwater at the Spectraserv, Inc. Site flows in the direction of the Passaic River.

2685. Paragraph 2685 of Third-Party Complaint “B” contains Defendants/Third-Party Plaintiffs’ conclusions of law and therefore no answer is required. To the extent that this paragraph is deemed to express facts, Spectraserv, Inc. admits that contaminants have been detected in the soils at the Spectraserv Site and denies the remaining allegations contained in paragraph 2685 of Third-Party Complaint “B.”

River in accordance with its stormwater management discharge permit issued by the NJDEP. Spectraserv, Inc. denies the remaining allegations contained in paragraph 2686 of Third-Party Complaint "B."

2692. Paragraph 2692 contains Defendants/Third-Party Plaintiffs' conclusions of law and therefore no answer is required. To the extent that this paragraph is deemed to express facts, the allegations are denied.

3447 – 3451. Paragraphs 3447-3451 of Third-Party Complaint "B" contain

Defendants/Third-Party Plaintiffs' conclusions of law and therefore no answer is required. To the extent that these paragraphs are deemed to express facts, the allegations are denied.

SECOND COUNT

Statutory Contribution

3452. Spectraserv, Inc. incorporates by reference its responses and denials as asserted in Paragraphs 1 through 3451 as if fully set forth herein.

3453. Paragraph 3453 of Third-Party Complaint "B" contains Defendants/Third-Party Plaintiffs' conclusions of law and therefore no answer is required. To the extent that this paragraph is deemed to express facts, the allegations are denied.

AFFIRMATIVE DEFENSES

FIRST AFFIRMATIVE DEFENSE

Third-Party Complaint "B" fails to state a claim against Spectraserv, Inc. upon which relief may be granted.

SECOND AFFIRMATIVE DEFENSE

Spectraserv, Inc. is not a discharger or a person in any way responsible for a discharge under N.J.S.A. 58:10-23 et seq. (the "Spill Act").

THIRD AFFIRMATIVE DEFENSE

The claims of Defendants/Third-Party Plaintiffs are barred in whole or in part by the statutory defenses to liability provided by the Spill Act.

FOURTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs have no Spill Act claim because they have not cleaned up and/or removed a discharge of hazardous substances within the meaning of the Spill Act.

FIFTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by the entire controversy doctrine.

SIXTH AFFIRMATIVE DEFENSE

One or both of Defendants/Third-Party Plaintiffs do not have standing to sue.

SEVENTH AFFIRMATIVE DEFENSE

The claims by Defendants/Third-Party Plaintiffs are barred under the collateral source doctrine or its equitable equivalent.

EIGHTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs are not the real parties in interest for pursuit of the claims set forth in Third-Party Complaint "B."

NINTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs are mere volunteers for remediation of the environmental contamination for which they claim contribution and/or other relief. Consequently, the claims in Third-Party Complaint "B" are barred, in whole or in part.

TENTH AFFIRMATIVE DEFENSE

The claims brought by Defendants/Third-Party Plaintiffs reflect damages that are wholly speculative, conjectural, unreasonable, excessive and/or arbitrary and capricious.

ELEVENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs cannot recover damages or maintain claims based on actions or inactions that arise out of conduct lawfully undertaken in compliance with permits or other approvals issued by relevant government agencies, including the State of New Jersey and/or the United States and/or in compliance with applicable laws, regulations, rules, orders,

ordinances, directives and common law, and other requirements of all foreign, federal, state and local government entities.

TWELFTH AFFIRMATIVE DEFENSE

At common law, Spectraserv, Inc. held, and still holds, an interest allowing it, along with all other citizens, the reasonable use of assets held for the benefit of the public by the State of New Jersey under the Public Trust Doctrine. Spectraserv, Inc. has at all relevant times acted in accordance with its rights of reasonable use of publicly held assets. As a matter of law, Defendants/Third-Party Plaintiffs' claims are derivative of, and cannot be any greater than, the claims that the State of New Jersey has or would have against Spectraserv, Inc. directly. As a result, the claims set forth in Third-Party Complaint "B" are barred, in whole or in part.

THIRTEENTH AFFIRMATIVE DEFENSE

Third-Party Complaint "B" is barred, in whole or in part, because the claims asserted are preempted by federal law, including, without limitation the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601, et seq.

FOURTEENTH AFFIRMATIVE DEFENSE

The claims set forth in Third-Party Complaint "B" are barred and/or are constitutionally impermissible to the extent that they seeks to impose retroactive liability for acts that were previously authorized or condoned by law.

FIFTEENTH AFFIRMATIVE DEFENSE

The claims set forth in Third-Party Complaint "B" are barred to the extent that they seek relief for damages incurred prior to the effective date of the Spill Act.

SIXTEENTH AFFIRMATIVE DEFENSE

At all relevant times, Spectraserv, Inc. complied with all applicable environmental laws, regulations, industry standards and ordinances, and otherwise conducted itself reasonably, prudently, in good faith, and with due care for the rights, safety and property of others.

SEVENTEENTH AFFIRMATIVE DEFENSE

To the extent that the Defendants/Third-Party Plaintiffs seek to recover for loss of use or loss of natural resources, Defendants/Third-Party Plaintiffs do not have standing to bring such claims.

EIGHTEENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs suffered no losses or injuries that were proximately caused by Spectraserv, Inc.

NINETEENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by the applicable Statute of Limitations, Statute of Repose, and/or the equitable doctrines of laches and estoppel.

TWENTIETH AFFIRMATIVE DEFENSE

The damages as alleged by Defendants/Third-Party Plaintiffs were caused by pre-existing conditions over which Spectraserv, Inc. had no control.

TWENTY-FIRST AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by the "unclean hands" doctrine.

TWENTY-SECOND AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by the doctrines of collateral estoppel, *res judicata*, and/or judicial estoppel.

TWENTY-THIRD AFFIRMATIVE DEFENSE

Any acts or omissions, if any, relating to any hazardous substance, conformed to industry custom and practice.

TWENTY-FOURTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by Defendants/Third-Party Plaintiffs' failure to comply with the prerequisites to liability under the Spill Act including, without limitation to: Defendants/Third-Party Plaintiffs have not incurred costs authorized by the Spill Act and Defendants/Third-Party Plaintiffs have failed to direct cleanup and removal activities in accordance with the National Contingency Plan to the greatest extent possible.

TWENTY-FIFTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred because neither they nor Plaintiffs have incurred "costs of restoration and replacement...of any natural resources damaged or destroyed by a discharge" under the Spill Act.

TWENTY-SIXTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs have failed to join necessary and indispensable parties needed for a just adjudication of the claims asserted in this action, in whose absence complete relief cannot be afforded the existing parties pursuant to R. 4:28-1 of the New Jersey Court Rules.

TWENTY-SEVENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are not ripe for adjudication, because Defendants/Third-Party Plaintiffs have a joint liability to the Plaintiffs and have not paid and will not pay more than their fair or equitable share of the liability.

TWENTY-EIGHTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs have failed to present a justiciable controversy in that the operative facts in connection with any alleged remediation are future, contingent and uncertain and their claims should be dismissed.

TWENTY-NINTH AFFIRMATIVE DEFENSE

If Defendants/Third-Party Plaintiffs sustained any injury or are entitled to any damages, such injury and damages were wholly, or in part, caused by Defendants/Third-Party Plaintiffs' own acts or omissions, negligence, lack of due care and fault and/or that of Defendants/Third-Party Plaintiffs' agents or employees. In the event that Defendants/Third-Party Plaintiffs are found to have sustained any injury and are entitled to damages, Defendants/Third-Party Plaintiffs' recovery, if any, must be reduced by the proportionate damages caused by the acts and conduct of Defendants/Third-Party Plaintiffs and/or its agents or employees.

THIRTIETH AFFIRMATIVE DEFENSE

Although Spectraserv, Inc. denies that it is liable for the contamination described in Third-Party Complaint "B," in the event it is found liable, Spectraserv, Inc. is entitled to an offset against any such liability on its part for the equitable share of the liability of any person or entity not joined as a defendant in this action that would be liable to Defendants/Third-Party Plaintiffs.

THIRTY-FIRST AFFIRMATIVE DEFENSE

Under N.J.S.A. 2A:15-97, the amount of damages, if any, should be reduced by any amounts recovered from any other source.

THIRTY-SECOND AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred to the extent that the conduct of Spectraserv, Inc. alleged to give rise to liability in Third-Party Complaint "B" is the subject of a

release, covenant not to sue, or has otherwise been excused by Plaintiffs, including, without limitation, through issuance of a no further action letter, consent order, settlement agreement or other applicable document, with or without inclusion of contribution protection, or through the Plaintiffs' allowance of any applicable Statute of Limitations or Statute of Repose to lapse.

THIRTY-THIRD AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs are not entitled to recover costs incurred for cleanup actions not undertaken in coordination or conjunction with federal agencies.

THIRTY-FOURTH AFFIRMATIVE DEFENSE

The damages or other relief that Defendants/Third-Party Plaintiffs seek, if awarded, would result in unjust enrichment to the Defendants/Third-Party Plaintiffs.

THIRTY-FIFTH AFFIRMATIVE DEFENSE

The relief sought in Third-Party Complaint "B" cannot be granted because liability under the Spill Act is several and/or the harm alleged is divisible.

THIRTY-SIXTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs cannot assert contribution claims because the discharges for which the Plaintiffs are seeking relief are different from Third-Party Defendants' alleged discharges.

THIRTY-SEVENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs cannot seek contribution under the Joint Tortfeasors Contribution Law because Spectraserv, Inc. is not liable for "the same injury" caused by Defendants/Third-Party Plaintiffs' discharges and does not share a common liability to the State of New Jersey.

THIRTY-EIGHTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, because no actions or inactions have resulted in any permanent impairment or damage to a natural resource.

THIRTY-NINTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims for contribution, whether under the Spill Act or New Jersey law for contribution, are derivative of, and are therefore no greater than, Plaintiffs' claims against Defendants/Third-Party Plaintiffs. Consequently, Defendants/Third-Party Plaintiffs' claims are barred to the extent of any legal extinguishments of actual or potential claims by the Plaintiffs pertaining to the alleged environmental contamination (including natural resource damage) of any site alleged by Defendants/Third-Party Plaintiffs to be the subject of their contribution claims.

FOURTIETH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred to the extent the relief sought is at odds with Spectraserv, Inc.'s responsibilities to conduct ongoing environmental cleanups under oversight of the Plaintiffs at any site(s) alleged by Defendants/Third-Party Plaintiffs to be the subject of their claims against Spectraserv, Inc., thereby exposing Spectraserv, Inc. to inconsistent responsibilities, penalties and liabilities, and the possibility of paying twice for the same actions (i.e., double recovery).

FORTY-FIRST AFFIRMATIVE DEFENSE

To the extent Spectraserv, Inc. is acting or has acted to conduct environmental cleanup at any site(s) alleged by Defendants/Third-Party Plaintiffs to be the subject of their contribution claims against Spectraserv, Inc., the claims for equitable contribution under the Spill Act in

Third-Party Complaint "B" are barred because equity will not compel action that is already being undertaken and/or is unnecessary.

FORTY-SECOND AFFIRMATIVE DEFENSE

Without admitting liability, Spectraserv, Inc. alleges that if it is found to have been engaged in any of the activities alleged in Third-Party Complaint "B," such activities were *de minimis* and not the cause of any damages or other claims by Defendants/Third-Party Plaintiffs.

FORTY-THIRD AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs claims are not ripe, since clean up and remediation have not been completed.

FORTY-FOURTH AFFIRMATIVE DEFENSE

Spectraserv, Inc. reserves the right to assert and hereby invokes each and every defense that may be available during the course of this action.

FORTY-FIFTH AFFIRMATIVE DEFENSE

Any and all damages allegedly sustained, or to be sustained, by Defendants/Third-Party Plaintiffs are the result of intervening or superseding acts or omissions of third parties over whom Spectraserv, Inc. had no control.

FORTY-SIXTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are subject to recoupment and/or offset, including by any settlements entered into by Defendants/Third-Party Plaintiffs with any other party, and therefore, must be reduced accordingly.

FORTY-SEVENTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred, in whole or in part, by their failure to properly mitigate damages.

FORTY-EIGHTH AFFIRMATIVE DEFENSE

Third-Party Plaintiffs' claims are barred, in whole or in part, because they seek costs beyond costs allowed for under the Spill Act.

FORTY-NINTH AFFIRMATIVE DEFENSE

Defendants/Third-Party Plaintiffs' claims are barred because they seek damages, costs or expenses beyond costs for "cleanup" and "removal" as those terms are defined under the Spill Act.

FIFTIETH AFFIRMATIVE DEFENSE

Spectraserv, Inc. incorporates by reference any affirmative defense asserted by other parties in this action to the extent such affirmative defenses are defenses to Defendants/Third-Party Plaintiffs' claims and do not impose liability on Spectraserv, Inc.

RULE 4:5-1 CERTIFICATION

I hereby certify that this matter is not the subject of any other action pending in any court or of a pending arbitration proceeding and I know of no other parties who should be joined in this action pursuant to R. 4:28 as it is the legal position of Spectraserv, Inc. that liability of a third-party defendant for the claims set forth in Third-Party Complaint "B", if any, is several. However, should the Court determine that the potential liability of a third-party defendant, if any, is joint and several for the claims set forth in Third-Party Complaint "B", then Spectraserv, Inc. states that there are other parties that may have discharged Hazardous Substances into the Newark Bay Complex contributing to the damages alleged by Defendants/Third-Party Plaintiffs. The identity of all known parties believed to have discharged Hazardous Substances will be identified in accordance with the procedures set forth in Case Management Order V. Likewise, additional discovery or investigation may identify additional parties to be joined in the litigation.
