: **DISCLOSURE**

The Third-Party Defendant Eden Wood Corporation, (“Respondent”) by and for

its Revised Initial Disclosure provides the following specific information:

Reservations

1. Respondent reserves the right to object to the production of any documents or other information on any ground, including relevance and undue burden, and to assert any applicable privilege, including the attorney-client privilege, the work product doctrine, the common interest doctrine, and any other applicable privilege or protection. These disclosures are not intended to prejudice or waive any privileges or objections Respondent may have with respect to any outstanding or subsequent requests for discovery.

2. Respondent's investigation in this matter is continuing. Accordingly, it reserves the right to supplement, clarify, and revise these disclosures to the extent additional information becomes available or is obtained through discovery. Further, Respondent reserves the right to amend these disclosures to the extent the claims brought by or alleged against Respondent in this litigation are amended.

3. The time period covered by the allegations in the Plaintiffs' Second Amended Complaint is quite long and encompasses at least six decades. The geographic scope of the Second Amended Complaint is also quite broad, covering the 'Newark Bay Complex,' which spans the 'lower 17 miles of the Passaic River, Newark Bay, the lower reaches of the Hackensack River, the Arthur Kill, the Kill van Kull, and into adjacent waters and sediments.' Second Amended Complaint, ¶ 1. The scope of inquiry required by Plaintiffs and Third-Party Defendants is accordingly quite broad and potentially burdensome. Respondent is therefore engaged in a continuing investigation and reserves

the right to supplement and modify these disclosures.
