Comes now Third-Party Defendant McKesson Corporation¹ (“McKesson”) and for its First Amended Initial Disclosure in accordance with Case Management Order V provides the following specific information:

Reservations

1. McKesson reserves the right to object to the production of any documents or other information on any ground, including relevance and undue burden, premature disclosure of expert witness information, and to assert any applicable privilege, including the attorney-client privilege, the work product doctrine, the common interest doctrine, and any other applicable privilege or protection. These disclosures are not intended to prejudice or waive any privileges or objections McKesson may have with respect to any outstanding or subsequent requests for discovery.

2. McKesson’s investigation in this matter is continuing. Accordingly, it reserves

¹ The McKesson Initial Disclosures are herein amended to provide initial disclosures on behalf of mis-named party Safety-Kleen Systems, Inc., f/k/a Safety-Kleen Corporation (“SKSI”), solely in regard to the property owned by McKesson and described in paragraphs 82 to 85 of Third Party Complaint “D” and paragraph 7 of the McKesson Answer and First Amended Answer, and only until such time as McKesson indemnitee and proper party Safety-Kleen Envirosystems Company (“SKEC”) may be substituted for SKSI.

the right to supplement, clarify, and revise these disclosures to the extent additional information becomes available or is obtained through discovery. Further, McKesson reserves the right to amend these disclosures to the extent the claims brought by or alleged against McKesson in this litigation are amended.

3. The time period covered by the allegations in the Plaintiffs' Second Amended Complaint is quite long and encompasses at least six decades. The geographic scope of the Second Amended Complaint is also quite broad, covering the 'Newark Bay Complex,' which spans the 'lower 17 miles of the Passaic River, Newark Bay, the lower reaches of the Hackensack River, the Arthur Kill, the Kill van Kull, and into adjacent waters and sediments.' Second Amended Complaint, ¶ 1. The scope of inquiry required by Plaintiffs and Third-Party Defendants is accordingly quite broad and potentially burdensome. McKesson is therefore engaged in a continuing investigation and reserves the right to supplement and modify these disclosures.

Initial Disclosures

a. The name, address and telephone number, as may be known of each individual likely to have discoverable information, along with the subjects of that information, that relates to any alleged discharge or release of pollutants, contaminants and/or hazardous substances ("Pollutants") into the Newark Bay Complex (as these terms are defined in the Second Amended Complaint and the Third-Party Complaints) from the site(s) and/or properties with which the disclosing party is associated in the Third-Party Complaint ("Alleged Discharges");

Response

McKesson objects to the form of the question to the extent that it assumes or concludes there was an "alleged discharge or release of pollutants, contaminants and/or hazardous substances" to the Newark Bay Complex from the site with which McKesson is associated in Third Party Complaint D (the "Site"). McKesson's investigation regarding former employees at the Site is ongoing, and McKesson reserves the right to supplement this response as further information becomes available. Based on McKesson's internal investigation and review of relevant files, the individuals listed below are likely to have

c. The name, address and telephone number, as may be known, of any and all past or present owners, lessees or operators at the site(s) and/or properties with which it is associated in the Third-Party Complaint and the dates of such ownership, lease or operation, as may be known;

Response

Name/Address/Phone	Site Address	Dates at Site: Ownership/Operator/Lease
Balbach Smelting and Refining Company	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: Owner/operator from the mid 1800's to the mid-1930s.
Kolker Chemical	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: Owner/operator from approximately 1951 to approximately 1963
Vulcan Materials Company	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: Owner/operator from approximately 1963 to May 1974
Inland Chemical Corporation	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: Owner/operator from May 1974 to December 1981.
McKesson Envirosystems Company	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: Owner/operator from December 1981 to March 1987 by acquisition. In December 1981,

		McKesson Corporation purchased Inland Chemical Corporation and merged it into a wholly-owned subsidiary named McKesson Envirosystems Company ("MEC").
McKesson Corporation	504-508 Doremus Avenue, Newark, New Jersey	Owner of property from March 1987 to present.
Safety-Kleen Envirosystems Company	504-508 Doremus Avenue, Newark, New Jersey	Upon information and belief: In March 1987, through a stock sale, MEC was purchased and became Safety-Kleen Envirosystems Company ("SKEC"). SKEC never owned or operated the 504-508 Doremus Avenue, Newark, New Jersey property or facility. Title to the property was transferred to McKesson Corporation at that time (see above). McKesson Corporation has certain indemnity obligations to SKEC regarding the Site.

d. With respect to any individual identified pursuant to paragraph (a), (b) or (c) above, (or any other individual known to have material knowledge of an alleged discharge or release of a Pollutant at or from a site and/or property, or into the Newark Bay Complex), any known inability to testify due to age, infirmity, or incompetency within 12 months following the date of the Initial Disclosure;

Response

Thomas K. Skinker has Alzheimer’s disease and is unable to testify; Dana C. Venne has cancer and is unable to testify.

e. A description by category and location (or copy at the discretion of the Third-Party Defendant) of all documents or electronically stored information that the disclosing party has in its possession, custody, or control with respect to Alleged Discharges including disclosure of the extent to which such documents or electronically stored information may fall within the Excepted Information.

Response

McKesson objects to the form of the question to the extent that it assumes or concludes there was an “alleged discharge or release of pollutants, contaminants and/or hazardous substances” to the Newark Bay Complex from the Site. As discovery is ongoing, McKesson reserves the right to supplement the information below should additional information responsive to Initial Disclosure “e.” become available. One or more of the Exception Codes listed below may apply to some or all of the documents or electronically stored information marked with an asterisk:
