Third-Party Defendants.	:	

Comes now Third-Party Defendant The Procter & Gamble Manufacturing Company, (“P&GMC”) and for its Initial Disclosure in accordance with Case Management Orders V and VIII provides the following specific information:

Reservations

1. P&GMC reserves the right to object to the production of any documents or other information on any ground, including relevance and undue burden, and to assert any applicable privilege, including the attorney-client privilege, the work product doctrine, the common interest doctrine, and any other applicable privilege or protection. These disclosures are not intended to prejudice or waive any privileges or objections P&GMC may have with respect to any outstanding or subsequent requests for discovery.

2. P&GMC's investigation in this matter is continuing. Accordingly, it reserves the right to supplement, clarify, and revise these disclosures to the extent additional information becomes available or is obtained through discovery. Further, P&GMC reserves the right to amend these disclosures to the extent the claims brought by or alleged against P&GMC in this litigation are amended.

3. The time period covered by the allegations in the Plaintiffs' Second Amended Complaint is quite long and encompasses at least six decades. The geographic scope of the Second Amended Complaint is also quite broad, covering the 'Newark Bay Complex,' which spans the 'lower 17 miles of the Passaic River, Newark Bay, the lower reaches of the Hackensack River, the Arthur Kill, the Kill van Kull, and into adjacent waters and sediments.' Second Amended Complaint, ¶ 1. The scope of inquiry required by Plaintiffs and Third-Party Defendants is accordingly quite broad and potentially burdensome. P&GMC is therefore engaged in a continuing investigation and reserves the right to supplement and modify these disclosures.

Initial Disclosures

a. The name, address and telephone number, as may be known of each individual likely to have discoverable information, along with the subjects of that information, that relates to any alleged discharge or release of pollutants, contaminants and/or hazardous substances ("Pollutants") into the Newark Bay Complex (as these terms are defined in the Second Amended Complaint and the Third-Party Complaints) from the site(s) and/or properties with which the disclosing party is associated in the Third-Party Complaint ("Alleged Discharges");

Response

P&GMC objects to the form of the question to the extent that it assumes or concludes there was an "alleged discharge or release of pollutants, contaminants and/or hazardous substances" to the Newark Bay complex from the sites with which P&GMC is associated in Third Party Complaint "B." subject to this objection and the Reservations stated above, the individuals listed are likely to have discoverable information pertaining to environmental conditions and operational history at the P&GMC facility:
