

Compliance & Enforcement- Land Use Program Joint Stakeholder Invitation

You are cordially invited to a NJDEP Compliance & Enforcement and Land Use Program joint stakeholder meeting. This meeting is intended to provide constructive feedback on how to further improve communication and coordination between the Compliance & Enforcement and Land Use Permitting programs. We are interested in hearing about specific issues or experiences you have had and most importantly how these two programs can function together more effectively.

WHEN: Wednesday, June 13, 2012 from 2:30 p.m. - 5 p.m.

WHERE: Public Hearing Room
NJDEP Building
401 East State Street
Trenton, NJ 08625

Participation is by invitation. Please RSVP to attend or to coordinate attendance by a designee by contacting Dean.Anderson@dep.state.nj.us or (609) 777-4092.

Purpose:

- Learn from the regulated community areas where there may be an opportunity for both the NJDEP Compliance & Enforcement and Land Use Permitting programs to improve cross-program communication with regard to developing permit conditions and assuring compliance with permit conditions.
- To develop an understanding where the regulated community has encountered inconsistencies between Land Use Permitting and Compliance & Enforcement programs;

If you are unable to attend or send a designee, you may email comments directly to Dean Anderson at the email address above, through June 20th.
