

Subject: FOREST MANAGEMENT ON DEP LANDS

Happy New Year!

First, I hope this email finds you well and refreshed after the busy holidays.

Second, I am pleased to share with you some exciting news as 2014 kicks off!

As a result of the hard work and dedication you all have invested in promoting the management of DEP lands, I am pleased to share we have been working on developing a process and a product I feel will be effective in guiding the DEP as we move forward to implement forest management practices on our lands.

New Jersey State Forestry Services and New Jersey Division of Fish and Wildlife invite you to review and discuss this process and product we have developed. This is an exciting time in the management of DEP-owned resources, and we would like you to be involved in the process as we move forward.

The meeting will be held at the Forest Resource Education Center on Friday, February 7, 2014 at 10:00 AM.

Please RSVP by Monday, February 3, 2014 to Nichole Warfield at Nichole.Warfield@dep.state.nj.us .

Thank you and I look forward to meeting with you at the FREC.
