

Hello everyone – I hope you can make it to our next meeting on **June 17th from 1 to 3:30 pm.**

We have a great line up of speakers for you. We will start off with Natalie Tear from PricewaterhouseCoopers who will talk about the Dow Jones Sustainability Index – what it is, how it works and who is using it. She will be followed by Gregory Butler from Becton Dickinson who will discuss how to create an effective sustainable supply chain. Barry Dambach from Alcatel-Lucent will join them at the end for a panel discussion where they will answer your questions. I want to thank Barry for helping me pull this meeting together. He helped me find both speakers and volunteered to participate!
