

The NJDEP has scheduled a public meeting to discuss the existing sewer service area designations and the wastewater management planning process has been scheduled for Wednesday, April 6, 2011 from 5:30PM till 8:30PM in the Avalon Community Hall, Borough of Avalon. The Avalon Community Hall is located at 30th Street and Avalon Avenue in Avalon.

The Department will accept comments and information related to this map from the date of posting until Friday, May 6, 2011, 30 days after the public meeting.

Information received in response to this public meeting will be used to inform the wastewater management planning process in Cape May County. Please note there will be an additional opportunities to comment during the upcoming planning process, and a formal public comment process on the draft maps to be created prior to plan adoption. The preliminary working draft maps can be viewed at:
