

# Bass River Township Future Wastewater Service Area Proposed CAFRA Correction

Note: This map depicts a proposed correction to the Future Wastewater Service Area (FWSA) mapped as "Pinelands Future Wastewater Service Area" in Bass River Township adopted on May 7, 2013. The modified map would exclude from the FWSA a Coastal Environmentally Sensitive Planning Area which was inadvertently included in FWSA on the adopted map. The area to be removed is delineated in light blue.
