DIVISION OF WATERSHED MANAGEMENT

REVISION TO LOWER RARITAN/MIDDLESEX COUNTY WATER QUALITY
MANAGEMENT PLAN

TAKE NOTICE that on **APR 15 2008**, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A.58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Lower Raritan/Middlesex County Water Quality Management Plan was adopted by the Department. This revision expands the Sewer Service Area (SSA) of the Middlesex County Utilities Authority (MCUA) to include nine, three bedroom townhouses for the Belle View development located in the Borough of Highland Park Block: 190 Lots 4 and 4.1. The majority of the 12.6 acre site is currently identified in the Lower Raritan/Middlesex County Wastewater Management Plan as SSA to MCUA with the remaining 2.1 acres identified as service area of facilities with planning flows of less than 2,000 gallons per day (gpd) to groundwater. This revision puts the entire 12.6 acre site in the SSA of MCUA. The entire development consisting of 83 townhouses and a clubhouse will generate 30,225 gpd, of which, the 9 townhouses or 2,700 gpd is from the 2.1 acres being added as calculated per N.J.A.C.7:14 A-23.3. This project qualifies as a revision under N.J.A.C. 7:15-3.5 (b) 4 v.

Lawrence J. Baier, Director
