REVISION TO THE OCEAN COUNTY WATER QUALITY MANAGEMENT PLAN

TAKE NOTICE that on **SEP 25 1998**, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Ocean County Water Quality Management Plan was adopted by the Department. This revision corrects the Ocean County Northern Planning Area Wastewater Management Plan (WMP) to restore an approximately 20 acre portion of Block 147.01, Lot 1 lying immediately adjacent to Cedar Swamp Road as sewer service area of the Ocean County Utilities Authority's Northern Water Pollution Control Facility. That property was already shown as sewer service area in the Jackson Township WMP and was inadvertently omitted from the sewer service area mapping in the Ocean County Northern Planning Area WMP.
