REVISION TO THE UPPER RARITAN WATER QUALITY MANAGEMENT PLAN

TAKE NOTICE that on **JUN 16 1993**, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Upper Raritan Water Quality Management Plan was adopted by the Department. This revision corrects Sheet 1 of 2 of the Montgomery Township Wastewater Management Plan (WMP) to accurately show the limits of Block 30001, Lots 16 and 17 (Fried Subdivision). The text of the WMP clearly included this site in the sewer service area of the Cherry Valley Sewage Treatment Plant; however, the property had been incorrectly delineated on the mapping.
