REVISION TO THE UPPER RARITAN WATER QUALITY MANAGEMENT
PLAN

TAKE NOTICE that on October 3, 2006, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A.58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Upper Raritan Water Quality Management Plan was adopted by the Department. This revision modifies the Union Township Wastewater Management Plan (WMP) to correctly identify Block 25, Lot 18.08 in Union Township, Hunterdon County as the Country Arch Care Center. This existing 120-bed Nursing Home facility is currently served by a permitted (NJPDES #NJG0142328) discharge to groundwater disposal system. The WMP Summary Table of Proposed Activities erroneously identified the facility location, formerly known as Stone Arch Nursing Home as Block 25, Lot 18.04.

As provided under N.J.A.C. 7:15-3.5(b)1, the Department has determined that the proposed project activity qualifies as a revision in order to correct, clarify, or update erroneous, unclear or outdated statements in an areawide WQMP.
