Re: **Exemption Request**

N.J.A.C. 11: 20-9.2 requires that a written request for an exemption from the obligation to pay assessments for reimbursement of losses be submitted on or before May 1, 1995. The Board has determined that the filing deadline should be deferred until June 1, 1995 in order to allow sufficient time for the Board to release to member carriers the minimum enrollment shares of non-group persons for the 1995 calendar year. The calculation of enrollment share has been delayed while the Board has attempted to secure clarification of a host of non-member certification and Exhibit K materials submitted by carriers. Upon receipt of the information we have requested from such carriers, the Board will release minimum enrollment share data, but in no event will we delay such release beyond May 1, 1995.

Thank you for your patience and cooperation.
