Exhibit K Part C Premium Data Worksheet

The purpose of this Part C Premium Data Worksheet is to demonstrate whether a carrier is a member of the IHC Program by virtue of having any "net earned premium" during the two-year calculation period. "Net earned premium" means the premiums earned in this State on "health benefits plans," less return premiums thereon and dividends paid or credited to policy or contract holders on the health benefits plan business. Health benefits plans include, but may not be limited to the following coverages: health insurance for individuals or groups of any size; Medicaid; and New Jersey FamilyCare Part A. Net earned premium shall not include premium earned from plans excluded from the definition of "health benefits plan" as set forth at N.J.A.C. 11:20-1.2.

Directions:

Copy the attached worksheet, if necessary, and provide the following information for each affiliate:

- The name of the affiliate.
 - Section 1: The total accident and health premium reported on the annual NAIC statement blank for both calendar years of the two-year calculation period for that affiliate.
 - Section 2: The total premium amounts earned in each calendar year of the two-year calculation period for each of the excepted types of coverage listed on the worksheet for each affiliate.
 - Section 3: To arrive at the net earned premium in section 3, subtract the total excepted premium totals reported in Section 2 from the accident and health premium totals reported in Section 1. All premium that is not from some type of excepted coverage is net earned premium from health benefits plans.
 - Each affiliate's worksheet shall be attached to the carrier's one-page Exhibit K.

Members shall report the combined two-year net earned premium calculated from each affiliate's Exhibit K Part C Premium Data Worksheet on Part C of the Exhibit K Assessment Report.

If the combined two-year net earned premium total from each affiliate's Exhibit K Part C Premium Data Worksheet is zero either because all of the premium is from excepted coverages or because the carrier had no accident and health premium, then the carrier shall assert Non-member status by checking the Non-member box on Exhibit K Part C, and completing the certification in Part F.
