

## **Directions for Mailing/Hand Delivering the 2007-2008 Audited Financial Statements to the Department**

The private school for students with disabilities must file three certified signed duplicate copies of the reports and recommendations for each private school location. One with the Division of Finance, one with the Office of Compliance Investigation in the Trenton offices and one with the County Superintendent of Schools in the county in which the school is located. To avoid a great many calls to the department in October and November 2008, the private school for students with disabilities should provide the list below to their internal staff so they are aware of the correct address to mail the audit and the correct address for hand delivery. Listed below are the addresses which are also found on the department's website at <http://www.nj.gov/education/finance/fp/psd/audit/0708/>.
