**Re: In the Matter of the Certificate of Carol Anne Futrell
Docket No. 0506-303**

Dear Ms. Futrell:

As you are aware, the State Board of Examiners voted at its meeting of January 18, 2007 to suspend your teaching certificate pending disposition of criminal charges. In July 2009, you provided the Board with an Order of Dismissal from the Superior Court of New Jersey, Cape May County, following your completion of a Pretrial Intervention program. Please be advised that the Board voted at its meeting of September 17, 2009 to vacate your suspension and to take no further action against your certificate.

Sincerely,

Robert R. Higgins, Secretary
State Board of Examiners
