

# New Jersey Global Warming Summer Challenge 2007

## Submission Form

### Contact and mailing information (to be used for contact purposes only):

Name of student:

Age of student:

Name of parent/guardian:

Home mailing address (street, town, zip code):

County of residence:

Phone number for parent/guardian (daytime, include area code):

E-mail address (if available):

### For completion by student (with adult oversight):

Describe in your own words (100 words or less) what global warming is:

Describe in your own words (100 words or less) how global warming is affecting New Jersey:

Using your “home results” information from the Home Energy Analysis, identify how much your household spends on each of the seven use categories. (This information is in the right column, in a box titled “How does my home use energy?”):

- Heating:
- Hot Water:
- Cooling:
- Other:
- Food Storage:
- Lighting:
- Cooking:

After discussing your “savings opportunities” (left column in “home results” information) with your parent/guardian, describe how members of your household pledge to save energy:

Describe in your own words (100 words or less) why everyone should help combat global warming:

### For completion by parent/guardian:

I certify that:

- \_\_\_ My child’s thoughts are reflected in his/her responses.
- \_\_\_ He/she and I worked together to complete the Home Energy Analysis.
- \_\_\_ Our household pledge to save energy includes actions we plan to undertake.

I understand that:

- \_\_\_ My child’s first name, hometown and county, and excerpts from my child’s responses or our pledge to save energy, can be posted at the New Jersey Global Warming web site; or
- \_\_\_ My child’s first name, hometown and county, as well as other submission information, cannot be posted at the New Jersey Global Warming web site. (This choice will not

- eliminate this submission for receipt of free Liberty Science Center passes if other information is complete and if it is one of first 50 received.)
- Submissions must be sent by fax or mail – not electronically. The first 50 (complete) submissions will receive free passes to Liberty Science Center and will be selected based on the postmark date or date of fax. A random drawing will break any ties. Submissions will not be accepted if they are postmarked or faxed before July 16 and after August 31.
  - I may be contacted directly by mail, phone or e-mail for purposes of this challenge.

Signature of Parent/Guardian:

*Employees (and their immediate family members) of the New Jersey Department of Environmental Protection (including boards, trusts and commissions in-but-not-of the department), Board of Public Utilities and Liberty Science Center are not permitted to participate in this challenge.*
