Civil Action No. 3:12-cv-04947 (MAS) (LHG)
Honorable Michael A. Shipp, U.S.D.J.

**[PROPOSED] ORDER GRANTING
DEFENDANTS' MOTION FOR
CLARIFICATION AND/OR
MODIFICATION OF THE DISTRICT
COURT'S FEBRUARY 28, 2013
INJUNCTION**

THIS MATTER having come before this Court on motion brought by Defendants Christopher J. Christie *et al.*, seeking to clarify, or, in the alternative, modify this Court's February 28, 2013 injunction pursuant to Federal Rules of Civil Procedure 65(d)(1)(C) and 60(b)(5), and this Court having considered all arguments and submissions proffered by the parties in respect of this Motion, and for good cause having been shown, it is

ON THIS _____ day of _____, 2014, hereby:

ORDERED that Defendants' Motion for Clarification and/or Modification is hereby **GRANTED**; and it is

FURTHER ORDERED that the injunction be clarified as follows:

Defendants are permanently enjoined from sponsoring, operating, advertising, promoting, licensing, or authorizing by law a lottery, sweepstakes, or other betting, gambling, or wagering scheme based, directly or indirectly (through the use of geographical references or otherwise), on one or more competitive games in which amateur or professional athletes participate, or are intended to participate, or on one or more performances of such athletes in such games. This injunction does not prohibit, and shall not be construed to prohibit, Defendants from recognizing

or giving effect to a provision of state law that repeals prohibitions or restrictions on sports wagering activity. Accordingly, the injunction does not prohibit or otherwise implicate the repeal of the prohibition on the operation of sports pools by casinos or racetracks enacted in N.J. Stat. Ann. § 5:12A-2(a), nor does it implicate Law Enforcement Directive 2014-1 and Formal Opinion 1-2014 issued by the Acting Attorney General of New Jersey on September 8, 2014 recognizing the effectiveness of that repeal as a matter of state law.

Honorable Michael A. Shipp, U.S.D.J.
