*You may wish to seek assistance from your Primary Care Provider to arrange for this testing.

*If you have any questions about your health benefits plan or the cost-sharing structure for your testing services, please contact your health insurance company at the phone number on the back of your insurance card, or at the phone number listed above.

*In some cases, this may not be a complete listing of the in-network labs available to you. To check with your insurance carrier about a particular lab that is not listed above, you may call their Member Services phone number.

*For Quest Diagnostics or LabCorp locations, visit or call:

Quest Diagnostics: 800-377-8448 or <http://www.questdiagnostics.com/>

LabCorp: 888-581-9738 or <https://www.labcorp.com/>
