Welcome!

In accordance with Survey and Certification Transmittal 12-13-NH dated December 16, 2011, States must obtain approval from the Centers for Medicare and Medicaid Services (CMS) for the use of federally imposed Civil Money Penalty (CMP) funds. A copy of this transmittal is available on the CMS website at www.cms.hhs.gov. Effective January 1, 2012, CMS has established a process for reviewing applications that seek funding to improve resident outcomes in certified nursing homes. Only CMP fund applications that meet the statutory intent of the regulations, Federal law and policy will be considered.

Requests to use CMP funds may be made by various organizations and entities. Applications may be submitted by certified nursing homes, academic or research institutions, state, local or tribal governments, profit or not-for-profit, or other types of organizations.
INSTRUCTIONS

When CMP funds are requested for educational purposes, include the following as applicable: anticipated maximum number of attendees; target audience; accrediting authorities; timeline for implementation evaluation tool/method and plan for sustainability.

State Agency reviewers shall first assess the merit of each project and the ability of the project to benefit residents in certified long term care facilities. Applicants may contact the applicable state survey agency with questions regarding their CMP request.

A timeline shall accompany all proposals which outline benchmarks, deliverables and dates. Attach supplemental materials such as brochures, efficacy studies and peer reviewed literature.

Part IX: Funding

Include an Excel spreadsheet with the budget expenses for the project, along with a narrative explanation of the costs. Mention any co-funding that you are planning to use from other sources. The narrative shall include the specific amount of CMP funds to be used for the project, the time period for such use, and an estimate of any non-CMP funds that the State of other entity expects to be contributed to the project.

Part X: Involved Organizations

List a contact name, address, Internet email address, CMS Certification number for any nursing homes that participate and telephone number of all organizations that will receive funds through this project. List any sub-contractors and organizations that are expected to carry out and be responsible for components of the project. Copies of contracts and subcontracts shall be available upon request to CMS and the State.

CONFLICT OF INTEREST PROHIBITION STATEMENT

CMS will not approve projects for which a conflict of interest exists or the appearance of a conflict of interest. Similarly, we will generally not approve uses that commit CMS funding to very long-term projects (greater than three years). By obliging the State to fund a long and large multi-year expense, we consider such projects to raise the appearance of a conflict of interest where the levy of future CMPs could be constructed to be done for the purpose of raising revenue rather than for the statutory purpose of deterring or sanctioning poor quality. We will, however, consider each project in light of the specifics of each individual case.

ATTESTATION STATEMENT

CMP funds have been provided for the express purpose of enhancing quality of care and quality of life in nursing homes certified to participate in Title 18 and Title 19 of Social Security Act. Failure to use civil money penalty funds solely for certified nursing homes and for the intended purpose of the grant proposal is prohibited by Federal law. Failure to use the CMP funds as specified will result in denial of future grant applications and referral to the appropriate entity for Medicare/Medicaid fraud and Program Integrity. The applicant shall disclose any conflicts of interest, including family relationships.
