

**New Jersey Department of Health
Office of Vital Statistics and Registry (OVSR)
CMR Certification Course Schedule**

The courses below are OVSR approved courses and are the only courses that you can attend in order to earn CMR Recertification Credits. Any other courses would need prior written approval by the State authorizing credits. You can attend the same course multiple times, but you will only earn credit once per CMR cycle. You should contact the person noted for registration information. Please ensure that you register for all courses using the same exact name that is on file at OVSR. Also, it is imperative that you sign the course roster and include your 4-digit CMR number. This will be the only source of attendance verification. If you have any questions about receiving course credit, please contact Damon Koslow, Outreach Manager, by email damon.koslow@doh.state.nj.us or phone 609-777-3565.
