Registrations include all registrations and clock hours in any customized training course that ended between July 1, 2016 and June 30, 2017, and included only those students who are enrolled as of the last day of class.

FTEs were computed by converting clock hours to credit hours (dividing by 15), then converting credit hours to FTEs (dividing by 30). These represent both fundable and non-fundable FTEs.
