Krystal Odell
Kathy Rhead
Bob Riskamm
Monique Wilson

Project Freedom is excited to announce our **3rd Annual Abilities Fair** featuring the iBOT™ 4000 Mobility System on September 15, 2006 from 11am– 7pm at our Hamilton Township complex.

The **Abilities Fair** will be bigger and better this year and will feature two-40x40 big top tents for vendors to showcase their services/products, plus workshops and entertainment inside our Community Center throughout the day. Canine and Abled, Inc., a non-profit organization dedicated to promoting awareness and acceptance of service dogs, will be performing an incredible service dog task demonstration and provide an in-depth, fun, yet highly-informative educational presentation. Food will be prepared and sold by Club Freedom (a program through Project Freedom) and Aktion club (A Kiwanis Service Leadership Program) which both offer recreational opportunities to people with disabilities. There will also be a live performance by the band Y-Knot, a local band that consists of young adults with disabilities. So why not be a part of the **3rd Annual Abilities Fair**?

This year's **Abilities Fair** will serve as a stepping stone for children and adults with disabilities as well as their families. Did you know that there are 97,000+ people with disabilities living in Mercer County alone? This is an excellent opportunity for your organization to educate people with disabilities, their families, professionals and the community at large.

Don't miss this wonderful opportunity to raise awareness and promote the choices and options for people with disabilities and their families. Please join us in making this event a success. Please review the enclosed flyer with event details and deadlines. We look forward to your participation.

Sincerely,

X His Mark

Norman A. Smith
Associate Executive Director

Yes, my organization wants to participate in the **Abilities Fair!** The \$50 vendor fee includes a table under the tent and a double-sided lawn sign the day of the event promoting my organization/services.

My organization is proud to be an official sponsor of the **Abilities Fair.** The \$250 Tent Sponsorship fee includes a table under the tent, a double-sided lawn sign the day of the event, a 2' x 4' banner displayed on tent, plus organization recognition on outreach materials before and after the event.

My organization is not attending the **Abilities Fair** but, we would like to show our support to Project Freedom by donating \$50 for a double-sided lawn sign the day of the event publicizing my organization/services.
