This curriculum showcase will provide an opportunity to learn about developmentally appropriate infant/toddler, preschool and family child care curricula that can be used to develop or enhance quality of your early care and education program.

The curricula presented at this showcase are recommended by the New Jersey Department of Education because they each meet the following criteria:

- Aligned with the NJ Preschool Teaching and Learning Expectations:
Standards of Quality and NJ Birth to Three Early Learning Standards across all areas of development and learning;
- Provide methods for inclusion of students with disabilities;
- Have clear, research-based content and teaching strategies;
- Include child initiation and engagement; and,
- Are developmentally appropriate;
- Are compatible with performance-based assessment tool,
- Offer a curriculum fidelity tool to measure curriculum implementation

The following curricula will be presented:

Creative Curriculum, Curiosity Corner, High/Scope, and Tools of the Mind
