(a) In the determination of resource eligibility for an individual requiring long term care, the county board of social services shall establish the combined countable resources of a couple as of the first period of continuous institutionalization beginning on or after September 30, 1989. This determination shall be made upon request for a resource assessment in accordance with N.J.A.C. 10:71-4.9 or at the time of application for Medicaid benefits. The total countable resources of the couple shall include all resources owned by either member of the couple individually or together. The county board of social services shall establish a share of the resources to be attributed to the community spouse in accordance with this section.
