

Help us spread the word about a valuable new service.

NJ Connect for Recovery is a call line to support two distinct groups; those concerned with their own opiate use, and, those who are experiencing distress related to the opiate use of a friend or family member. This service offers a safe, confidential and nonjudgmental forum that NJ consumers can call to connect, grow and transform. It provides access to a unique combination of supportive counseling from Peer Specialists and Certified Alcohol and Drug Counselors.

Please help spread the word about this valuable service.

Tell 2, 4, 20, 100 or more of your friends, colleagues, constituents etc. – You could save a life!

All we ask...

All we ask is that you simply promote the call line number and mission and encourage others to do the same to help those in need gain access to the service. Please spread the news through:

- Your newsletters, emails and publications (on-line and in print)
- Your website and social media accounts
- Your events
- Any other appropriate way that you can think of!

Any organization, business or individual with values that support the goal of promoting recovery in New Jersey and align with humanitarian beliefs are welcome to join.

How will organization/business partners benefit?

We will recognize your organization/business as a member of the “Tell 2 Friends” campaign on our website, including the name, address and a link to your website. We will also include you in our social media outreach and on our e-list so that you will receive updates and information. Joining our campaign and “going public with it” are great ways to show your commitment to help.

Next step.

Please print out and complete the form below and: mail it to NJ Connect for Recovery, 88 Pompton Ave., Verona, NJ 07740; fax it to 973-857-1777; or scan and email it to njconnect@mhaj.org.

NJ Connect for Recovery is made possible by:

Let's get the ball rolling!
