**Purpose:**

This Request for Proposal (RFP) was issued by the New Jersey Department of Human Services (DHS), Division of Mental Health and Addiction Services (DMHAS), for the development of an Expanded Hour/ Same Day Service to Methadone and Other Medications in Opioid Treatment Programs (OTPs) initiative (Short Title: Expanded Hour/Same Day Service OTPs). This RFP is funded through the Substance Abuse and Mental Health Services Administration’s (SAMHSA) State Opioid Response grant (SOR). The SOR grant period is November 19, 2021 to September 29, 2022. Funding is available through September 29, 2022. The Expanded Hour/Same Day Service OTPs initiative is intended to be a one-year program that includes services to provide low threshold, on-demand Medication Assisted Treatment (MAT) followed by treatment or referral to ongoing care for individuals with an opioid use disorder (OUD). These services create access to treatment by removing traditional barriers such as service hours. The Expanded Hour/Same Day Service OTPs will provide same-day access to treatment for individuals with an OUD with or without co-occurring mental health and/or physical health disorders. Services will include medical screening and facilitated referral; behavioral health assessment; medications for treatment of OUD including, methadone and buprenorphine; case management services; and treatment and/or facilitated referral to ongoing treatment. Providers will have naloxone available at all times. DMHAS awarded two contracts in the total amount of \$1,562,849
