

Division of Mental Health and Addiction Services

To Provide Supportive Housing with Individualized Case Management Services to Adult Individuals with Opioid Use Disorders who are Homeless or at Risk of Homelessness
Awarded: July 2, 2019

Name of Program: To Provide Supportive Housing with Individualized Case Management Services to Adult Individuals with Opioid Use Disorders who are Homeless or at Risk of Homelessness

Purpose: The Division of Mental Health and Addiction Services (DMHAS) has made the following awards for the provision of individual case management and supportive services to individuals who are ages 18 and over with an opioid use disorder (OUD) in New Jersey who are homeless or at risk of homelessness. These services will be provided to up to two hundred (200) OUD individuals, on average, up to 8 hours per month, billable in fifteen (15) units, based on individual needs. These services will assist individuals in seeking and connecting with behavioral health and or physical health needs.

The total funding available for this contract is up to \$1,175,500. This contract is for 12 months (e.g. one-year contract) and is annually renewable. Funding is subject to availability of state appropriations.
